

2019 Rothwell Hyde

NAPA VALLEY

Rothwell Hyde continues to elevate as a wine that defines what is truly possible when intention, hard work and mother nature come together. Each harvest shows us how the individual vineyards can combine in infinite ways to make a wine of purity and distinction. Rothwell Hyde represents a freedom of expression and embraces the inherent differences between each of the single vineyard blocks. Every vine is given an equal chance to rise and contribute in its own way. If there is one wine that defines Abreu, it is Rothwell Hyde.

The two primary fermentations that form the core of the 2019 Rothwell Hyde were picked at the height of harvest. For the first time, portions of two blocks of Merlot from Las Posadas were combined with some of the oldest Cabernet Franc from Madrona Ranch on October 1. Small amounts of Cabernet Sauvignon completed this initial puzzle piece. On October 8, multiple selections across Cappella, Las Posadas and Madrona Ranch came together to form the core Cabernet Sauvignon component. Single barrels were then selected from Cappella and Thorevilos to elevate the structure of the 2019 Rothwell Hyde. In all, the final blend of 11 barrels is a composition of 38% Cabernet Sauvignon, 28% Cabernet Franc, 16% Petit Verdot, 10% Merlot and 8% Malbec.
